

August Learning Focus

MITI Kids is excited about beginning this school year of learning with your child. Each month we will explore a different theme, beginning in August with "All About Me." The focus for this month is for MITI Kids to:

- Learn their own names.
- Learn the names of their classmates.
- Learn the daily schedule.
- Learn how to use the learning centers.
- Share information about themselves and their families.
- Write rules for the classroom.

We are looking forward to a wonderful year of exploring and learning with your child. Please feel free to contact us at any time if you have any questions or concerns. Remember Parent-Teacher meetings are scheduled in August so we can all get to know each other better.

End Of Summer Fun Day August 5
