

## Learning Focus

The theme for this month is "My Community." There are many activities planned to help the children feel a part of their classroom, neighborhood, and town community. You will talk about the roles people play in helping their communities, and the jobs children have in the classroom and at home.

The focus for the month is for children to:

- Understand the role they play in helping their classroom community
- Learn about community helper jobs
- Talk about their neighborhood and town

### Weekly Themes

Week 1: My Classroom

Week 2: My Neighborhood

Week 3: Community Helpers

Week 4: My Town

Happy Smiles of Horn Lake facilitated a workshop for MITI Kids focusing on tooth brushing. Each child received a Happy Smiles packet that included a toothbrush, floss, and toothpaste.
